RE: Amended Year-End Report (12/1/2013- 12/31/2013)

FED ID#: C00005561

In response to request for additional information regarding increase in receipts totaling \$55,000. Please note that the increase in receipts reflects a correction of receipts that were originally disclosed on our February 2014 monthly report that were deposited in January 2014 but received in 2013 and were subject to 2013 contribution limits. In order to clarify that these contribution were intended to count against 2013 limits, the committee moved contributions from its 2014 February monthly report to its 2013 Year-End report.
